

Devo freeride	\$900
intro to freeride	\$1200
Freeride elite	\$1400
Full time freeride	\$2600

Devo freeride:

Saturday only

ages: 7 to 12

Skill level: intermediate

Objective:

Teach young athletes to ski the whole mountain with ease. Utilizing freeride techniques to successfully navigate groomers, moguls, trees, powder, steeps and terrain parks. Fun all mountain skiing with the emphasis on skill development and progression. Our dedicated coaching staff are either PSIA or USSA certified instructors. This is the best all mountain skiing experience for young skiers.

Intro to Freeride:

Saturday only

ages: 10 and above

skill level: advanced intermediates

Objective:

Introduce more advanced athletes to the extreme nature of freeride skiing. This program is not competition based. If your athlete needs a few more seasons to be prepared for contests then this program is for you. Emphasis on more advanced freeride techniques for even better navigation of everything the mountain has to offer. PSIA or USSA certified instructors. This program will inspire an athletes passion for skiing and make him or her a skier for life.

Freeride Elite: (Competition Freeride)

Saturday and contest days

ages: 10 and above

Skill Level: advanced

Objective:

Competition based program to take your skiing to the next level. The highly acclaimed coaching staff teaches all aspects of competitive skiing including mental preparation, skill development and on course strategies. If you want to be the next X Games athlete then this is for you. USSA, USASA, open competitions and even big mountain events. We do it all.
Saturday and contest days

Full time Freeride:

3 days a week plus contests

Middle School and High School athletes early release.
