

Team Breckenridge Sports Club (TBK) 2021-2022 Program Guide

Welcome to Team Breck Sports Club Program Guide. In this guide you will find information regarding each program Team Breck Sports Club offers to our athletes. We hope this helps you better understand in depth what each program offers.

Team Breckenridge Sports Club Mission Statement

It is our mission to provide our youth athletes with a positive environment and balanced guidance that fosters self-confidence, embraces goals, and nurtures a lifelong love for the mountains and snow sports!

Athlete Referrals Program

We are asking our membership to help us bring on new athletes. Any referrals will result in \$200 credit per family referred. Just let the family you refer know to submit your name as referrer when they register. Referral checks are granted back to membership by January 15th.

Multi Athlete Family Discount Program

At the time of registration, a family that is registering more than one athlete will receive a refund amount of \$50 for each additional athlete (\$50 for 2, \$100 for 3, \$150 for 4).

Uniforms

All athletes are required to wear an official Team Breckenridge Sports Club Jacket. This can be purchased after completion of the registration process, or you can utilize your TBK previous year jacket that you have, or purchase from another family. Contact admin@teambrecksportsclub.com for more information.

Work Deposit and Volunteer Opportunities

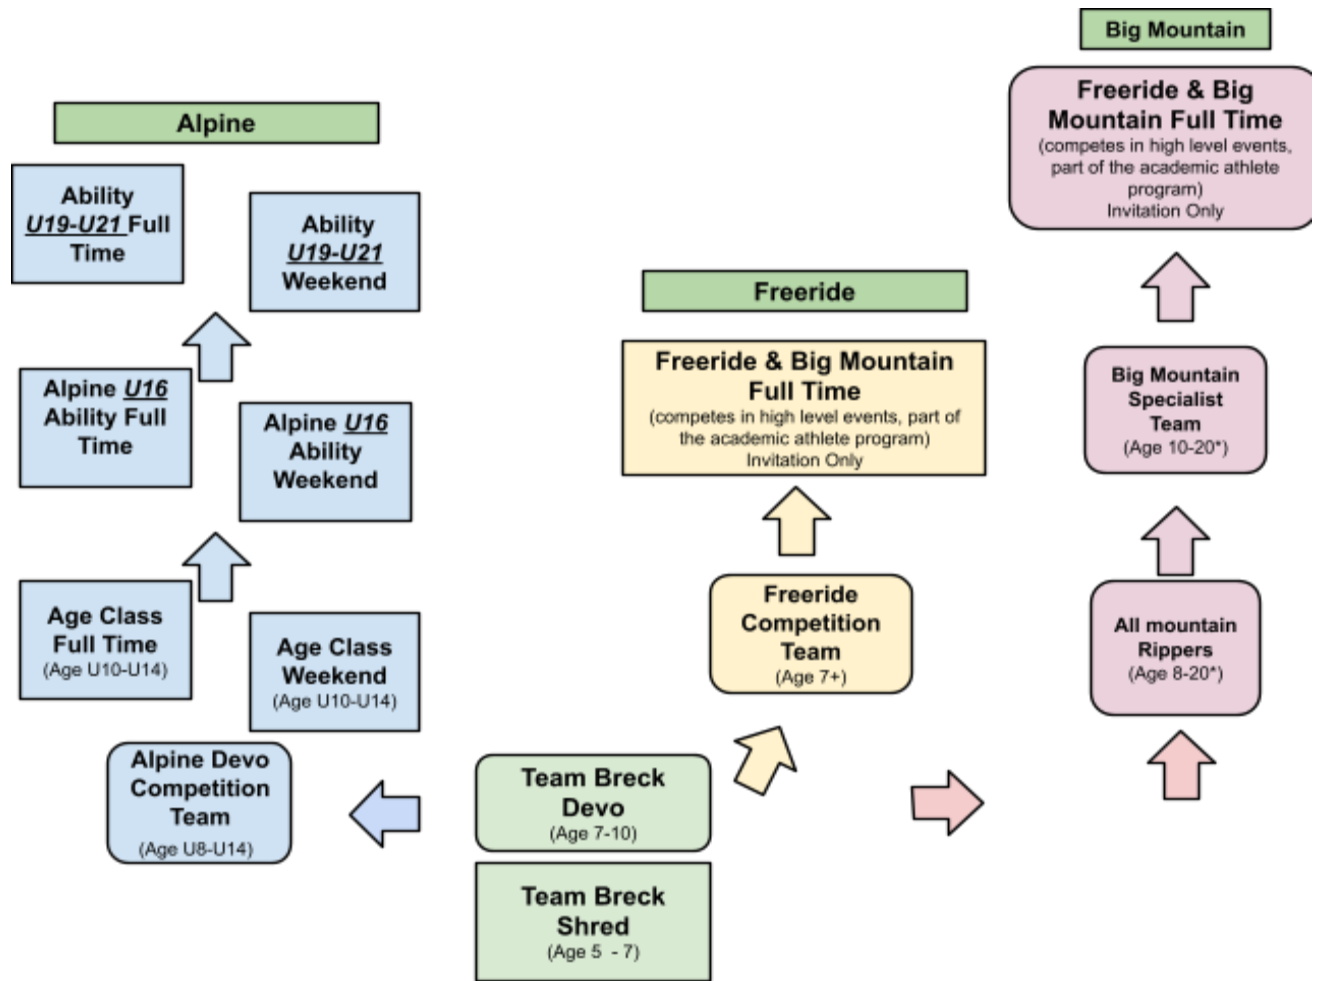

Team Breckenridge is a non-profit, and could not survive without our dedicated parents and community members volunteer support. In order to help assure that the club receives the required volunteer support, a Work Deposit (WD) is collected annually from each family member at the time of registration (one work deposit per family). More information can be found in the TBK Handbook and on the website.

Program Fee Chart and TBK Handbook

The program chart is a great tool to see how each Team Breck Sports Club program is organized.

The Handbook has program policies and procedures.

FREERIDE

The goal of the Freeride program is to train athletes to become the next generation of professional skiers in a safe and controlled environment. A few of our premiere athletes include; Mark Nowakiwsky, Emilia Wint, Ethan Swadburg, Cody Cirillo, Kai George, Levi Asher, and Greg Spalding. With the growing participation in new school skiing, athletes need organized training to compete at the top level. Whether an athlete is looking for Olympic Gold, X Games Gold or just great all around skiing skills Team Breckenridge Sports Club Freeride is a great place to train. Athletes will learn vital skills in all disciplines of freeride skiing including terrain park, big mountain and moguls. We produce “Skiers For Life”.

FREERIDE COMPETITION TEAM: Age: 7+

The Freeride Competition Team is the ultimate freeskiing experience. If your goals are to become the best freeskiier in the world let our experienced coaching staff make this a reality. Utilizing the world class terrain park features of Park Lane to the professional size and quality of Freeway you will excel to the top of the sport.

Our philosophy of “Great skiers make great Jumpers” is also stressed in this program. All mountain skiing, moguls, powder etc. will be emphasized. The Freeride Competition Team is the best way to take your skiing to the next level. The athletes of the weekend team train using a proven coaching system that has produced successful athletes for over 17 years. Our alumni include both USSA and USASA National Champions, Dew Tour Athletes and X games medalists. Athletes learn all aspects of Freeride skiing in a fun, safe and highly structured setting. Our highly acclaimed coaching staff evaluates each athlete individually in order to plan a path for their success. ALPINE AGE CLASS AND ABILITY

The primary goals of Team Breck Sports Club (TBK) Alpine Age Class and Ability Programs is to cultivate a lifelong passion for the sport of skiing, and athletes; to develop the technical and tactical skill to achieve the goals of the individual skier while developing life skills.

Alpine Programs will emphasize skill development through free skiing in a variety of winter environments while emphasizing the tactical part of ski racing. This exposure and mileage in and out of gates becomes the foundation for all future development and success as an alpine ski racer. We define success at each age grouping by increased individual improvement. The younger age groups focus on fun and the development of basic fundamental athletic skills, strength, technique and stamina. In the U16 and older programs athletes begin to optimize specific sport skills and fitness toward competing in their sport.

Our Age Class and Ability Program is divided into two groups: the Age Class Program for athletes ages 8-13 and the Ability Program for athletes ages 14-19+. Our Age Class and Ability Program also has the opportunity to train Full Time; 3 weekdays and weekends (a 5 day a week program), and also a Weekend Program. We also offer Spring Camps at A-Basin, Summer Camp, Fall Conditioning, and Early Season On-Snow Camps.

ALPINE AGE CLASS:

Age: U10-U14 (13 and younger)

Team Breckenridge Sports Club is an Age Class Program designed for the athlete who wants to pursue their competitive racing program within the US Ski & Snowboard Age Class race system. The Age Class team participates in the Rocky Mountain (RMD) USSS Age Class races. Races ages are as follows (see age class chart below): U10, U12, U14. U14's also enter the Junior Championship qualifying ladder, and can participate in Scored events in RMD; coach advised. Coaching will focus on ski techniques and race tactics utilizing drills and free skiing with an emphasis on gate training.

The USSS athletes lead coach will recommend race event participation based on skill level, physical fitness, safety and how appropriate the event is for the athlete's racing development. Athletes and parents may decline to participate in any event. Physical conditioning will be offered as an important part of ski racing for both injury prevention and performance enhancement.

- Athletes must be able to commit to weekend and holiday training as applicable to the age group.
