

Team Breckenridge Sports Club Financial Needs-Based Scholarship Program Information & Application 2022-2023

Team Breckenridge Sports Club Financial Need Scholarships are awarded to qualifying families to help make participation in snow sports more attainable. Scholarships can be awarded up to 75% of program fees toward tuition (typical awards range from \$500 to \$800).

Funding for scholarships comes from individual and corporate donations, as well as various team-based fund-raising events throughout the season.

General Guidelines and Considerations for Financial Need Scholarships

- Recommended support need from Student Support Services (SSS), a third-party financial need assessment company
- Members in good standing with TBK
- Parent Statement of need

Team Breckenridge Sports Club (TBK) has teamed with Student Support Services (SSS) by NAIS (National Association of Independent Schools) to assess financial needs. SSS works with over 2,000 schools, organizations, clubs, and camps to provide financial need assessments. All documentation is submitted on their secure website. The TBK Board does not have access to family financial information. Based on the information you provide, SSS calculates an estimated amount that your family can contribute toward program expenses at TBK. SSS is purely a recommendation. TBK understands that there are many other circumstances that may affect your current situation. Our funding decision is not based on SSS alone.

Athletes that receive financial needs-based scholarships and their families are expected to be active participants in fundraising/volunteering events for TBK, as a way of contributing to the scholarship fund. Past participation in TBK fundraising efforts will be highly considered as part of the scholarship criteria.

A brief parent statement explaining the need, their past commitment to the club, future commitment to the club, and a specific requested dollar amount is required.

The deadline to apply for scholarships is August 30 for athletes over 12 years of age and October 15 for all other athletes. Space fills up quickly so apply ASAP.

How To Apply

Step 1

Please go to the [website](https://sss.secure.force.com/familyportal) (https://sss.secure.force.com/familyportal) and click on the prompt to begin your Parents' Financial Statement (PFS). You will create a username and password, which will allow you to complete the PFS over more than one session. This will give you time to gather the required information for the application. Only one PFS is needed per family regardless of the number of athletes applying. However, in the case of separated or divorced families, each parent must complete the entire process with SSS. All material submitted to SSS will be secure. The Team Breckenridge SSS Code is 204021.

Step 2

Upload all required financial documents to the SSS website. The required documents include: complete tax returns for the last 2 years (including all schedules), corporate tax returns for business owners, and W-2s. Team Breckenridge staff and Board do not ever see this information.

Step 3

Complete the [TBK Scholarship application](#). This carries a heavy weight in decision making.

Step 4

Complete Steps 1-3 no later than August 30 (athletes over 12 years) or October 15 (all athletes).

Any questions can be directed to SSS Customer Service at (800) 344-8328 or to scholarships@teambrecksportsclub.com.

NOTES

It is the family's responsibility to make sure that the file is complete. You may verify this by going to the parent portal at <http://sss.nais.org>.

Families who do not complete this process with SSS will not be considered for scholarship.

No late submissions will be considered, regardless of personal or technical reason.

Note: Partial Applications will not be considered.

First Round: All required information is due by August 30 (athletes over 12 years)

Second Round: All required information is due by October 15 all athletes
