Weekend Athletes Starting Sept 6th for Saturday Conditioning.

*** Note that for AC athletes we understand athlete's participation in other sports, and include conditioning in our early season (November) training plan.*

****Punch cards available for weekend athletes who wish to participate in weekday conditioning training.*

Please note that conditioning sessions are included in November training (Saturday afternoons) and Holiday Breaks. Other activities include nordic ski days during holiday breaks, which is highly recommended to attend. (Additional costs)

Training Blocks:

November Block Training:

- A-Basin - TBA- (Oct 20th start date for full time athletes- snow dependant)

December Block training Breck:

- Sundown Pk9 (depending on early season snow conditions)

**** All training is dependent on snow conditioning and storm systems.**

Equipment:

All athletes should have one pair of GS Skis, SL skis, SG skis. Starting November 1, all athletes will need to make an appointment with Chuck Roth or Ethan to have boots canted. This is a very important piece to our training and success. *Fees for boot cants will apply at \$115 (free evaluations included in program fee), but TBK has worked hard to make this price very reasonable for our in house work that we feel strongly about. Fees for speed ski rental are \$50 a series.*

USSA Helmet Policy

All athletes are required to have a USSA FIS approved for all giant slalom, super G and downhill competitions (scored and non-scored). See picture on the left.

Equipment Guidelines for Ability Athletes:

*Each athlete should talk with their coach regarding the best ski length recommended.

Other Protective Equipment:

SL Shin guards/Pole guards:

Protective equipment can not only shield body parts from injury, but is the safest to block gates in SL more effectively. Please consult your coaches for specific recommendations.

Athlete Code of Conduct:

Coaches will go through this with athletes at the start of the season. Key points; *being on time. Being prepared with the proper equipment and clothing (snacks and hydration), respect for all*

mountain staff and guests. Slow skiing areas. Pass privileges. No line cutting. Safety bar to be used on all lifts.

Athlete Goal Setting Meetings:

Each athlete, coach, and parent will schedule meetings in November for an athlete goal setting meeting. Each athlete will be responsible to fill out their own goal sheet

Work Deposit Information:

Team Breckenridge is a non-profit, and could not survive without our dedicated parents and community members' volunteer support. In order to help assure that the club receives the required volunteer support, a Work Deposit (WD) is collected annually from each family member at the time of registration (one work deposit per family). More information can be found in the TBK Handbook and on the [website](#).

There are multiple opportunities throughout the year (July 1st – May 3st) for families to meet their volunteer commitment. Tasks are assigned on a first come, first served basis. There is no guarantee that hours will be available for any given event or task. Each family shall keep a record of hours worked on Time Card. It is each family's responsibility to assure that work hours are properly recorded on their Time Card and validated by a volunteer coordinator, coach or board member. If you have volunteered to work an event, you must check in when you arrive AND check out when you leave with the volunteer coordinator.
